

Appl. No. (Not yet assigned)
Amdt. Dated September 25, 2003
Preliminary Amendment in Divisional Application

REMARKS

The specification in this application, filed together with this preliminary amendment, is the same as that of the parent application (09/676,142) except for minor changes to correct clerical errors. No new matter has been added.

The specification has been amended pursuant to 35 U.S.C. §120 to contain the specific reference to the earlier filed application to which the present application claims a filing date benefit.

Claims 1-4, 6, 7, 12 and 13 were elected for further prosecution in response to a restriction requirement in the parent application and as a result, they have been canceled from the present application. Claims 5, 8-11, and 14-45 are pending in the present application.

Respectfully submitted,

Jaye G. Heybl
Attorney for Applicants
Registration No. 42,661
